## Care instructions

## Available colours

	one size
<b>Weight in g</b>	98g
<b>VPE</b> (pcs. per inner packaging / pcs. per outer packaging)	12/144

## Available colours

■ black (blackC)  
■ red (200C)

■ dark-grey-melange (433C)

■ navy (296C)

## Features

**Thinsulate**

Air molecules cling to the body. The more air a material stores in a certain space, the higher the insulation level will be. Microfibrils are much finer than other fibres. Therefore, they enclose more air within a smaller space thus offering a better insulation. The advantage: breathable, moisture-repellent and suited both for washing in the washing machine and for dry cleaning.
